

The extraterrestrial message of Crabwood – the 9/11 deception – the AZF factory explosion in France

This crop circle below, 70 on 110 meters, appeared in Crabwood (England) in the night of 15th to 16th August 2002, the year following the attacks of the 11 September 2001, called the 9/11 in the USA; and the explosion of the AZF chemical factory in Toulouse (France) on 21 September 2001.

4th July to 14th July = 10 days. 11th September (9/11) to 21st September (AZF) = 10 days (attacks signed).

The message in the disk, written in ASCII language, is making reference to “much pain” i.e. the destruction of the World Trade Center twin towers with nuclear weapons using quantum technology (signal maintaining the cohesion of the atoms cut off) sent by fast invisible-to-the eyes space vehicles, some using invisibility alien technology, 2 Boeing in the sky taken, and the mysterious explosion in France, of the AZF factory. This explains why in New-York the huge iron structures, several times the Eiffel Tower in Paris, and the hundreds of mandatory fire proof vaults in the buildings, have all been desintegrated into grey highly toxic powder. All the images dispatched by the US media on 9/11 have been controlled from the USAF Cyberspace Command of Barksdale in Louisiana, now merged with the NSA as advised in the Ersée novel, “the murder of John Crazier” (L’assassinat de John Crazier).

The buildings have been desintegrated with extraterrestrial quantum bombs !

The 2 planes that **did not** hit the Pentagon (cruise missile from the USAF) nor Pennsylvania (bomb of the USAF and crash of a little private jet in the wood far from the bomb hole) have been taken by the aliens called the Greys. The passengers and the terrorists on board are therefore **alive**. The 3rd building named WTC 7 (owned by Citigroup), New-York HQ of CIA and other federal offices, has been destroyed as per a human controlled demolition technology, the attacks of the 9/11 by Saudi Arab Wahhabit terrorists known in advance, with a “laisé faire” like Pearl Harbor in 1941, to justify a war against the muslims whose reincarnated souls may not come from former (dead) terrestrial human bodies, further to the demographic explosion in the 20th century. Such a war (in Irak) was also a diversion to maintain the lies about the 9-11 events. The intervention of the Greys who had set up the Islam, above the islamist attacks, has countered the malvolent plans of the American Nazis. Keep in mind that Wernher von Braun is a mass murderer, a Nazi war criminal who headed the NASA.

The word **EELRIJVE** or **ELRIEJVE** (and not **BELIEVE** – a deception !) according to the transcriptions in clear of the ASCII file (American standard IBM language) means **JEER EVIL**. It is an anagram coding technic, a NATO transmission emergency code in the years 70th.

The full text of the disk is:

L'ensemble du texte du disque :

Beware the bearers of FALSE gifts & their BROKEN PROMISES
= Se méfier des porteurs de FAUX cadeaux et de leurs PROMESSES NON TENUES.
Much PAIN but still time = Beaucoup de DOULEUR mais encore temps.
EELRIJVE .
There is GOOD out there = Il y a du BON là-bas.
We Oppose DECEPTION = Nous nous OPposons à la FRAUDE.
COnduit CLOSING (BELL SOUND) = TUyau FERMETURE (Son de Cloche)

Le mot **EELRIJVE** semble compréhensible en ummite phonétisé espagnol (voir le livre de J. Pollion, "Umma, de vrais extraterrestres", Editions Aldane, sur l'éditorial N°32 de ce site), et la traduction donne :

"[Ceci est un] **enregistrement correspondant** [à une] **imitation** [par d'] **autres formes d'organisation des contributions des sensations**" ou encore plus simplement : "[Ceci est un] **enregistrement correspondant** [à une] **imitation** [par d'] **autres formes intelligentes**".

The explanation about the word EELRIJVE above in French, is an example of the intelligent deception done to prevent free citizens to find the truth. This is against the spirit of the French Republic.

THE TRUTH IS: many letters (54 in whole) in upper case are "wrongly" placed. These letters are:

FALSE BROKEN PROMISES PAIN ELRIEJVE/EELRIJVE (JEER EVIL) GOOD OP DECEPTION O CLOSING

54 letters **deliberately** in upper case that form another secret message in the message, using all the letters through the anagramm technic. The deciphered message is:

FOOL PASSENGERS IN CLOCK LOOP - EBEN AVOIDING ME - I DIE - PROJET (in French) SERPO.

FOOL PASSENGERS : passengers of flights 77 and 93 captured by the EBEN on September 11, 2001.

IN CLOCK LOOP : alien mother ship circulating in a loop at + 100 times light speed = relative time as demonstrated by Albert Einstein. Therefore the passengers do not get older.

EBEN : Extraterrestrial Biological Entity Native (see project SERPO under www.serpo.org)

AVOIDING ME : "me" is one of the two astronauts of Project SERPO who decided to never return back on Earth. She is from Wisconsin, a nurse in the USAF. Her father is burried in Saint Avold, France.

I DIE: she died before her message was "delivered" in England on 15-16/08/2002. The terrestrial time between Zeta Reticuli and the Sun is 5 months to travel between the 2 star systems. The date of her death - on planet Earth - is 10 April 2002. As of her death on Serpo, she got ascensioned, as explained in the American serial movies called Star Gate Atlantis "the Ancients".

PROJET (in French) "SERPO" : means "Secret Exchange Reticuli Planet Operation".

The Crabwood message of August 15, 2002 is **political** and means:

BEWARE THE BEARERS OF FALSE GIFTS: other alien civilizations interferring since 1952 with the fascist secret authorities pretending to represent the ignorant Humanity. These other alien nations are the ennemy of the Greys, and NOT the true friends of the Humanity. They gave advanced technology to the fascist (even Nazi) elite of the Earth, but this technology is used to create a race of billions of slaves (the Humanity) of the material world, without spiritual values and unable to access anymore the elevation of their souls (principle of the Ascension).

AND THEIR BROKEN PROMISES : all the secret treaties made with these alien civilizations, unkown to the citizens, hidden to the citizens, abusing the citizens. Treaties NOT made by the PEOPLE, for the

PEOPLE but by folks acting for their own interest (wealth and power). This evil elite that the future generations will call “the STENCH” have murdered John F Kennedy to prevent him of unveiling the project SERPO, with the evil complicity of vice president Lyndon B Johnson. This coup d’état was made by an illegitimate secret (deep) government deceiving the American People and the whole planet Earth, with the silence of all the other leaders. Whilst Jesus of Nazareth said that “**he is the Door**” (to TRUTH and LIBERTY, not to ignorance and slavery) the Vatican has hidden the Truth, taking the opposite position, the one of the force called Satan. The USSR has also amplified the conflict. The Earth then became a galactic Vietnam, a battle field between informed leaders deceiving their nations (even called “democracy”!), and all manipulated by alien groups in conflict.

MUCH PAIN : 9/11 and AZF attacks and capture of the Boeing planes. Safe passengers in a clock loop. The same technic was used in 1983 against the flight KL007, a Boeing 747 vanished.

BUT STILL TIME: the ultimatum should have been the Summer 2012, but the new representatives of Earth have negotiated a postponing for again years and years. See the crop circle of Manton Grove (UK) in early June 2012, giving 6 (required) coordinates in outer space for a rendez-vous point.

JEER EVIL: the populations of the Earth are abused by their governments manipulated by the folks who have the power, i.e. WEALTH ! They are also abused by the aliens acting in the secret, creating this wealth with extraterrestrial technology for a minority of leading parasites, and abusing billions of the poorest. The aliens have their own agenda !

THERE IS GOOD OUT THERE: spirituality is the essence of the presence of the souls in this uni-verse, which is a very little part of the multi-verse. Reward shall be offered to the opponents of the deception.

WE OPPOSE DECEPTION: the only hope for the Humanity to be liberated from its evil leaders submitted to Nazi ideology and perverted religions, who consider the People as their slaves. **Ignorance makes slaves ! The existence of God is a scientific truth ! You are all a soul in a body!**

CONDUIT CLOSING: end of the communication with the last surviving astronaut on Serpo.

The above crop circle of Chibolton (UK) of August 2001, gave an answer to the Arecibo message sent to outer space in 1974. It also shows a picture of the American astronaut living since 1965 on the planet (now) called **Serpo**, in the Zeta Reticuli stellar system. She is a Menominee of Wisconsin, a state discovered by French Jean Nicolet coming from Trois-Rivières (Québec) in Canada. The project SERPO is TRUE. The interplanetary conflict has made richer and richer the deceivers of the Humanity by USD thousands of billions. Secret bases, space fleets, lunar bases, whilst the exploited and abused Humanity, sunk in the obscurity of ignorance, is killing its own planet! **WE OPPOSE DECEPTION! THE PATH TO LIBERTY IS THE ASCENSION, SHOWED BY JESUS CHRIST OF NAZARETH, IN ORDER TO JOIN ANOTHER UNIVERSE OF THE MULTIVERSE.**
